Barium Principal Inducted Into Army

R. G. Calhoun Enters Service in August.— Another Teacher in Defense Work

For some time it had been felt that Robert Glenn Calhoun, principal of the schools at Barium Springs, would be asked by Uncle Sam to join his forces, and the call came to the Barium Springs principal in August. Mr. Calhoun was inducted into the forces on August 4th, but had the usual two weeks after that to close out his personal affairs. He returned to the induction center at Fort Bragg on August 18th, and just where his first assignment of training will be has not yet been learned.

While Mr. Calhoun had had the advance Reserve Officers' Training work when a student at Davidson College, he had dropped his commission a few years ago and thus entered at the outset as a private. With his fundamental

Sunday Schools Are Making Great Show

Increase of $340.24 Through July.— Gain at End of August Will Be Even Larger

The largest source of regular month-by-month income received at Barium Springs is that which arrives from the Sunday Schools. The giving of those organizations is carefully watched month by month, and it even develops down to a day-by-day perusal of that which is coming to Barium Springs from the boys and girls and men and women affiliated with around 300 Sunday Schools in the Synod that follow some systematic plan of aiding in providing necessities for the large Barium Springs' family.

Because of the vitalness of the Sunday Schools' gifts, special encouragement has entered the hearts of Barium officials in 1942-1943 over an increase of $340.24 which was observed in the total

Churches Giving As Much as $1,000.00 To Barium Springs During 1941-1942 Year

Twenty Churches in the Synod of North Carolina gave as much as $1,000.00 to Barium Springs in 1941-1942, which is two more than merited this distinction in the previous church year. It may be recalled that in 1939-1940 there were 16 churches in this thousand dollar category, it went to 18 the next year, and now it is 20.

Three new churches gained this classification in the year that closed last March 31st. They were Hickory First, Laurinburg, and Belmont. The only one to drop out was Lenoir - three additional ones and a loss of one to make a net gain of two.

The $1,000.00 minimum for inclusion in this grouping includes the regular contributions over a period of 12 months, gifts to the clothing fund and the Thanksgiving Offerings.

Recently a request was made of the treasurer's office to compile information on what the larger churches of the Synod had given to Barium Springs, divided between regular and Thangsgiving Offerings and the membership of each congregation. That data was promptly prepared and it is being recorded below, the churches being listed numerically on the basis of the amount contributed, and not on the basis of church membership:

Church	Regular	Thanks.	Total	Membership Church
Charlotte Second	$2,451.90	$3,931.49	$6,382.49	2,284
Winston-Salem First	2,578.55	1,596.23	4,174.78	1,383
Charlotte First	911.66	2,273.66	3,185.32	886
Myers Park	2,104.15	1,027.63	3,131.87	1,166
Concord First	1,065.82	1,976.98	3,042.80	620
Gastonia	1,112.32	1,809.11	2,921.43	1,158
Greensboro First	1,200.50	1,694.93	2,895.43	3,076
Salisbury First	1,314.63	1,479.66	2,794.29	1,006
Burlington First	895.51	1,780.54	2,676.05	940
Statesville First	436.74	2,000.97	2,437.71	803
Raleigh First	670.12	1,019.36	1,689.48	1,427
Durham First	900.63	722.16	1,622 79	767
Rocky Mount First	978.26	416.26	1,394.52	737
Wilmington First	950.84	241.77	1,192.61	914
Belmont	571.80	601.00	1,172.80	427
Hickory	400.46	756.76	1,157.22	492
Fayetteville First	736.06	369.79	1,105.85	908
Mooresville First	535.35	557.36	1,092.71	614
Laurinburg	746.17	311.15	1,057.32	684
Davidson	510.92	539.77	1,050.69	406

On the basis of membership as related to displayed liberality, the following would be the order of the above 20 churches: Concord First, first; Charlotte First, second; Statesville First, Winston-Salem First, Burlington, Charlotte Second, Salisbury First, Belmont, Myers Park, Davidson, Gastonia First, Hickory First, Durham First, Rocky Mount First, Mooresville First, Laurinburg, Wilmington First, Fayetteville First, Raleigh First, and Greensboro First.

The conclusion should not be drawn that these are the leading per capita ratings in Synod, for several churches which could not possibly give as much as $1,000.00 in a year's time have a much higher per capita average than any of the 20 listed above.

One More Member of $100.00 Club

Maxton Sunday School should be added to those 64 such organizations classified as members of the $100.00 Club in 1941-1942. It had been reported in the June Messenger that Maxton dropped out of the Club, but a delayed report on the final gifts by Maxton Sunday School came the latter part of July which now makes it possible to say that a grand total of 65 Sunday School occupied $100.00 seats in 1941-1942.

At this early stage of 1942-1943 a prediction is made that at least 68 Sunday Schools will make the $100.00 Club by the time the final monthly offering is made next March. Several such organizations have indicated that they have their "eye" on such membership, and the cate that the "sights" of these donations arriving so far indiparticular Sunday Schools are not going to be too high.

Synod's Total Is Less In First Four Months

The Decrease was $218.15 When One-Third of Year Was Over.— Come-back in August

Unfortunately, the tone of comment on the table of receipts for July cannot be the same as that for June, because last month's contributions from Synod were $372.24 less than in July of 1941. Instead of revealing an increase for the first one-third of the year, it is necessary to announce a decline of $218.15 for the first four months of April, May, June, and July.

Maybe Synod is alternatingly showing increases and decreases in the current year. If so, then this will mean a fine income in August

Schedule of Football Games Is Announced

Only Two of Twenty-One Lettermen Available to the Coaches

The 1941 football champions of the South Piedmont conference are going to have a most difficult time defending their title during the 1942 season at Barium Springs, for only two lettermen out of twenty-one will be on hand this fall to answer the call of the coaches. All of the others have finished their football careers at Barium and have gone on to play the much bigger game of life - some in the services of Uncle

"The First Twenty"

Jos. B. Johnston, superintendent of the Home here, has writtened a detailed historical sketch of the physical education program at Barium Springs for the past 20 years, for it was during the past two decades that competitive contests were introduced.

These were all started shortly after Mr. Johnston became superintendent, and he has been an eye-witness to the development of the program. He has written the history from first-hand knowledge and included many interesting sidelights that could never be observed by the ordinary witnesses of engagements.

The title of the book is "The First Twenty" and it is a 150-page book, 9 inches by 6 inches in size. Anyone desiring to obtain a copy of this can do so by sending $1.00 to Barium Springs.

112 Churches Give Best Totals Since 1925-1926

Tabulation Is Made of Churches Equalling, or Going Beyond, Former High Levels

Almost 19.4% of the churches and mission points in the North Carolina Synod gave their best sums since 1925-1926 to the support fund of the Presbyterian Orphans' Home during the recently ended year. This means that 113 churches or missions have the distinction of a record that shows their finest reports to have been in 1941-1942. Of these, eight were filing their original gifts with the Home, leaving the other 105 to break records of former Church periods.

The largest number of records smashed occurred for the year of 1940-1941. In that year, 75 churches gave their largest aggregates, and 41 of those went on in 1941-1942 to better those 1940-1941 reports. Eight churches "topped" a figure which had been standing on the books at Barium since 1925-1926.

In detail, the 113 are involved in this way: Eight broke 1925-1926 records; two, 1926-1927; two, 1927-1928; two, 1929-1930; five, 1930-1931; three, 1934-1935; five, 1935-1936; eight, 1936-1937; seven, 1937-1938; nine, 1938-1939; 13, 1939-1940; 41, 1940-1941, and eight, first reports. No records were exceeded for 1928-1929, 1931-1932, 1932-1933, and 1933-1934.

Since 1925-1926, 583 churches or mission points have had some part in supporting Barium Springs. By years, the number of churches giving their best aggregates in each fiscal period is listed below:

No. Of Churches	Yr. of Best Total
87	1925-1926
41	1926-1927
50	1927-1928
31	1928-1929
15	1929-1930
15	1930-1931
7	1931-1932
3	1932-1933
9	1933-1934
28	1934-1935
20	1935-1936
38	1936-1937
23	1937-1938
31	1938-1939
38	1939-1940
34	1940-1941
113	1941-1942

Those 113 giving their best sums last year, and the church periods whose former totals were surpassed are as follows:

ALBEMARLE PRESBYTERY

Church	Former Best.
Johnson Memorial	1940-1941
Meadowbrook Chapel First Report	
Rocky Mount 2nd	1939-1940
Runnymeade	1939-1940

W. A. Hethcox Acting As School Principal

He Will Serve While Mr. Calhoun Is in the Army.— Two New Teachers

The 1942-1943 scholastic session for the schools at Barium Springs started on Thursday, August 27th, with a new acting principal and two new members of the faculty. William A. Hethcox is the acting principal while R. G. Calhoun is absent in the service of the United States Army, and the two new teachers are Miss Sarah C. Rice, of Athens, Ga., for the high school and Mrs. R. E. Jackins, of Barium Springs, for the fourth grade in the grammer school.

The temporary elevation of Mr. Hethcox to the post of principal occurred in August when Mr. Calhoun was notified that he would be called to the colors. Mr. Hethcox has been a member of the local faculty for two years. Practically all of his teaching has been done in Iredell county since he graduated from Erskine College in 1929.

For the past four years, Miss Rice has been teaching in Cuba, and before that she had been affiliated with several schools in Georgia and at Boyden High School in Salisbury. She attended Georgia State Normal, the University of Georgia and holds a bachelor of arts degree from Catawba College. She is a Presbyterian and comes highly recommended as a teacher and a church worker. She will teach some subjects in the new eighth grade and some of the history.

Mrs. Jackins becomes a member of the grammer school faculty again, having formerly taught here as Miss Laura Northrop before she was married to R. E. Jackins, in charge of the dairy at Barium Springs. Mrs. Jackins is filling in for Miss Margaret Bell, whose request for a year's leave of absence was granted. Miss Bell is doing some defense work at the time, and is expecting to return for the 1943-1944 school session. Mrs. Jackins taught in the Sharon school of Iredell county during the 1941-1942 school period.

In a preceding paragraph is was mentioned that Miss Rice would teach some subjects in the new eighth grade, which means that Barium Springs is adding its extra grade by dividing the incoming eighth grade into two sections. One will be made up of the advanced pupils to be known as the ninth grade, while those who were not so efficient in their classroom work will be in the eighth. What would normally have been the ninth, tenth and eleventh grades will be known as the tenth, ele-

(FORM OF BEQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the laws of the state of North Carolina,* (HERE NAME THE BEQUEST)

We don't know whether our editorial last month on wills had anything to do with it or not, but we recently received a letter from a lawyer saying that he had a client who was making a will and wanted to remember this Home by setting aside a bequest to build a cottage at Barium Springs. The inquiry was specifically designed to find out the approximate cost of such a cottage. The information was promptly furnished. We do not know the name of this benefactor, but through the lawyer we endeavored to voice our appreciation of this thoughtfulness and consideration. So many wills are made with which we are unfamiliar and we don't have a chance to express our gratitude to the individual during his or her lifetime.

A fine Christian boy recently gave his life for his country in the terrible world conflict that is in progress, and a Sunday School Class distinctly honored him by sending us almost two dozen volumes of books which would interest young boys. In the library here a special memorial shelf has been set up and these books arranged on it. Officials at the library tell us that this set of books is proving extremely popular with all of the boys. In each volume has been written an appreciation of this young chap's life by the class that contributed this useful and worthwhile memorial gift.

No pre-season Thanksgiving Offerings for 1942 have yet been received at Barium Springs, but any friend desiring to contribute his or her Thanksgiving Offering now can do so, with resultant gratification to the hearts of authorities here. Should you want to do this and express a desire that a particular church be given credit for the gift, your wishes will be adhered to in a diligent manner. Usually there are some friends who annually dispatch their Thanksgiving Offerings ahead of time, knowing how useful they are to the Home in the summer and early fall months.

Membership in the $100.00 Sunday School Club at the close of 1942-1943 will probably be the greatest ever. This is a Club comprised of those Sunday Schools which regularly send us much as $100.00 during 12 months. There were 65 Club members in 1941-1942, and a number of Sunday Schools which have been outside the Club are trying for a seat in the current year. The total enrollment may advance to 70 members.

Hearty congratulations to those 112 churches or mission points which, in 1941-1942, gave their best totals to Barium Springs since 1925-1926. Perhaps if the records for the fifty years that the Home has been in existence were examined, it would be found that most of those peak sums of last year were the best in the history of giving to this cause by those churches. It logically follows that everyone at Barium Springs was encouraged by the record which these 112 churches made. The names of these churches will be found elsewhere in this issue of the paper, and we are also listing the years whose records were broken.

The best wishes of his many friends here and elsewhere will go with Mr. R. G. Calhoun, principal of the Barium schools, as he enters a period of service with Uncle Sam, having become affiliated with the forces on August 18th. He will be sorely missed at Barium Springs. He has been connected with the local schools since his graduation from Davidson in 1929, and in more recent years has been the principal. He is the first member of the staff at Barium to be called to the colors.

Directly and indirectly, the war is affecting the staff of the schools at Barium. The direct effect is the entrance of Mr. Calhoun, the principal, into the Army, and the indirect effect will be the absence of Miss Margaret Bell. Miss Bell teaches the fourth grade and since early summer has been engaged in defense work. She asked for a leave of absence for one year, and this was granted. We look forward to the time when Mr. Calohun and Miss Bell will be back at their regular posts in the schools.

Hardly a week goes by but that some other Barium boy or boys join some phase of the fighting forces. Occasionally some of the fellows are on the campus for a little while, enjoying a vacation before they begin their intensive training. The number in the various branches is now close to 125 boys. Only the two mentioned in last month's Messenger have been reported as missing.

RUMPLE HALL.

Hello Friends,

It has been some time since we wrote you last.

Well, there is one more camp before school starts and most of us are going on this camp. There will only be eleven girls to do the dining room work.

Our dining room matron, Mrs. Purdy, is back from her vacation, and we are glad to have her back.

We certainly are enjoying the peaches, and also the grapes.

Miss Reid, our matron, will be back from her vacation next week. We will be glad to see her.

The repair work on our building has been completed, and it certainly does look nice.

Betty Jo Smith had a visit from her sister, Janie. She has been away all summer and is coming back when school starts.

The following girls had visits from their people: Violet Knight, Hazel Walker, Peggy and Betty Coffey, and Anne Wicker.

Aline Parham and Frances Adams are having a birthday this month.

It will not be long before the swimming pool will close. We hate that because we enjoy the pool so much in this hot weather.

So long, folks. We will be back next month.

—Sadie Grey Buie.
—Betty Coffey.

BABY COTTAGE
Second Floor.

Hi Folks,

Yes, it's us, the Baby girls, just itching to tell you about the day we spent at camp last week. We went Wednesday morning and played around until dinner. Mama O'Kelly was in charge of the cooking and guess what we had for dinner, "chicken", along with a lot of other good stuff. We were the first in line, so we didn't get the wings and necks. After dinner all of us got to go for a nice long boat ride. We couldn't go in swimming that day 'cause the river had risen. We had a good time playing in the sand and swinging on the long swings with ropes on them. We got to stay for supper and boy, Mama O'Kelly can really cook hamburgers.

We go to rest hour at one thirty in the afternoons and it is so hard for us to go to sleep when we hear Mr. Thomas and his boys bringing us some grapes or peaches. But we always go right to sleep, because we can just taste that fruit. Really, I bet we have better peaches than anybody.

Mama O'Kelly hasn't been our matron for two weeks, but she is coming back today. She sent us a card from Carolina Beach.

Marion Coffey, one of our large girls, went to camp when Mama O'Kelly did, and Tony DeLancey, our other large girl, is going next week. We know she will have a good time.

One day last week we were going for a walk, but when we got to Synod's Cottage Miss Taylor showered us with the hose pipe. We had the most fun but we always do have a good time at Synod's.

We went to see Mr. Johnston one night and played in his big yard and watched some tennis playing.

So long, everybody, and look for us again next month.

—The Baby Girls.

INFIRMARY.

Hi Folks,

Here we are again with a bit of the cottage's news.

The thing that is the biggest news to us all is that Mr. Calhoun, our school principal, has to leave for the army pretty soon. We hate to see him go, but we know our country needs good men like him; so we are willing to give him up.

You know there is an old saying, "While the cat is away the mice will play." Well, Mrs. McNatt and Miss Lackey are both away at the present, but I can't say that we are doing much playing. Mrs. Harry Barkley has taken Mrs. McNatt's place as nurse, because Mrs. McNatt has gone to the wedding of her son, Charles McNatt, to Miss Madeline Byrum. Louise Everett has taken Miss Lackey's place as cook, while Miss Lackey is at camp. Louise seems to be getting along just fine. We haven't smelled anything burning yet.

We are all missing Martha Price while she is away at camp this week, but we know she is having a good time there. Blanche Feimster and Lucile Smith went last week and they are still talking about the good time they had. Lillie Belle Smith and Mae Allen Barrett go next week and we know they will have just as good a time as all the others. The Smith girls, by the way, are not sisters.

We have not had but one new child to come to live with us since we wrote you last. A boy by the name of William Rogers, and we know he can't help but like it here, because everybody else always has.

We aren't having very many patients right now. Just a few upset stomach patients from eating too much of the good fruit we are having.

We are having lots of grapes and peaches, and we really enjoy them.

Well, so long 'til next time.

—The Infirmary Girls.

BABY COTTAGE
First Floor.

Here we are, girls and boys, bringing you the news of the Baby Cottage.

We had a visit from Donnie Campbell's brother. We were glad to have him to visit us.

We spent the day at Catawba River Wednesday and some of our big boys took us for a boat ride. We liked that very much.

We saw "Remember Pearl Harbor" at the theatre and it was fine.

We want to thank our friend at Troutman for the ice cream treat. We appreciated it very much.

We want to thank Dr. McClelland, of Mooresville, for the treat of watermelons and chewing gum.

Our vacation time will soon be over and it will not be so very long 'til some of our boys will go to school.

We had to say goodbye to Mr. Calhoun, principal of our schools. Good luck and come back soon. We'll be waiting for you here when the war is over.

We've had plenty of boils on our arms and legs and a few of us had them on our noses. Hope the worst is over.

An electrical storm put out most of the lights Monday afternoon. Mr. Grier and his boys were busy for a while.

We are having grapes and peaches now, and we like them a lot — to say nothing of canteloupes.

One of our big girls, Maggie Katen, was at camp last week. This week Pearl Morgan, the other big girl, is out there.

Two of our boys are at the Infirmary but are not very sick.

Mr. Johnston, our superintendent, keeps us informed about the war. He tells us about it Sunday morning; also, about how we may help take care of everything we have here at Barium.

We missed Mrs. Purdy while on her vacation, but Nancy Parcell, a Barium graduate, seemed to get along all right with the dining room.

Well, so long 'til we see you again.

—Baby Cottage Boys.

ANNIE LOUISE.

Hello Friends,

These are the Annie Louise Girls bringing you the news of the month.

The weather is quite mixed up these days. Some days are very hot and then we have a spell of cool and rainy days.

We are glad to have Hazel Creech from Wilmington to come and live with us.

We are also glad to have Miss Mary Adams as substitute matron during the absence of our matron, Miss Juanita Hardin, who is at the Duke Summer School for Orphanage Workers.

We are all enjoying the peaches and grapes this year and hope we will have them for a long time yet.

All of our little girls have come back from camp now and have reported having a very nice time. One of our big girls, Helen Hawley, has been too. Mable Vinson is going next week. We hope she will have a good time.

Annie Louise Campbell's brother came to see her, Eloise Morris' mother, and Mary Elizabeth McNeill's grandmother came.

We haven't had so many visitors this month, but we are always glad to have them. So please drop in and see us sometime.

Well, so long for this time.

—The Annie Louise Girls.

Gertrude Bryant and Mary Johnson are entering training for a nurse at Rocky Mount next month and Margaret Presnell starts a similar course at Mooresville.

A young couple, wishing to get married, went to a minister's house Sunday evening just as he was ready to leave for his church service. The preacher explained to them what he considered a way out of the difficulty.

"You two come to the evening service, and at the close come forward and I will marry you."

They agreed to this, and when the minister completed his sermon, in order to give them the cue to come forward, he announced: "Those desiring to be married will please come forward."

Thirteen women and one man started for the altar.

Mother: "Why were you kept in after school today, Junior?"

Junior: "The teacher told us to write an essay on 'The Results of Laziness' and I turned in a blank sheet of paper."

Mrs. Chubbwitt: "They tell me you have a model husband."

Miranda: "Yes, ma'am. But he ain't no workin' model. He's jest a-a blueprint."

"Just fancy that" exclaimed the proud mother of her son who had recently joined the army. "They've promoted our Herbert for hitting the sergeant. They've made him a court martial."

One of the boys plucking fruit from a portion of the 100 acres in peaches and apples. Inset shows a corps of people cutting up the peaches at the cannery. The bin is never empty at the peak of the season, for a group of orchard boys keep pouring them in after the peeling is taken off with a weak solution of lye. Usually about 3,500 one-gallon cans of peaches are set aside for winter use. Many other surplus food products are canned.

training during the four years at Davidson, it is predicted that rapid advancement will be made by Mr. Calhoun, who might possibly be re-issued his commission after a specified time of preliminary training.

Mr. Calhoun came to Barium Springs in the fall of 1929 after he had finished his four years of education at Davidson. He was a member of the faculty here until 1935, when he was made principal. While acting in that capacity he has also been teaching Bible and geometry, and as simply a member of the teaching staff he taught some other mathematics.

The absence of Mr. Calhoun will not only be felt in the schools, but also in other phases of the life at Barium. He has been chairman of the Board of Deacons in Little Joe's Church, he had been a member of the choir and he has taught a Sunday School class. He is a native of near Laurinburg and two other brothers, Archie Calhoun and John Calhoun, are already in the service of Uncle Sam. All three of these brothers were teachers.

While Miss Margaret Bell, teacher of the fourth grade in the grammar school, has not enlisted with Uncle Sam, yet she is affiliated with some defense work and has asked a leave of absence for one year. This request was granted, so the war is responsible for the absence of two members of the teaching force for the 1942-1943 year. Miss Bell's home is in Decatur, Ga. She is a graduate of Mitchell College and has been a teacher in the Sunday School of Little Joe's Church. She has been on the staff for eight years.

The complete roster of teachers is as follows:

Grammar grades: Harry E. Barkley, seventh; Miss Mildred Stevenson, sixth; Miss Gladys Burroughs, fifth; Mrs. R. E. Jackins, fourth; Miss Sadie Brandon, third; Miss Mary Stuart MacGoogan, second, and Miss Theoria Straughn, first.

High School: W. A. Hethcox, acting principal; Homer Keever, Miss Irene McDade, Miss Reba Thompson, Miss Annie Gaitley, and Miss Sarah C. Rice.

Miss Laura Gray Greene will be back at Barium Springs continuing to direct all of the children who display ability in piano.

(EDITOR'S NOTE: Just before going to press with the August issue of The Messenger, a wire was received from Miss Rice saying that she was resigning from the post so recently accepted. Announcement will be made in the September Messenger as to the name of the teacher obtained for this last-minute replacement.)

Sunday Schools Are Making

from this source on July 31st, as compared with the same date in 1941. Not only is this true, but the Sunday Schools had given more through August 20th than came to Barium Springs in all 31 days of August, 1941. This means that the figure of $340.24 is going to be increased considerably at the close of the current month.

No prediction is being made as to how much of an increase will be possible to announce when August ends, but it going to be a substantial one. That is because so many Sunday Schools give the fourth Sunday offerings and the fourth Sunday in August was not until the 23rd. Those responses were yet to be contributed and dispatched to Barium Springs after the date when it was noted that the Sunday Schools had gone beyond last August's total for the entire month.

Incidentally, 52% of Barium's income from Synod in one-third of 1942-1943 had arrived from the Sunday Schools. That's important, but it is also important that young folk are being reared who are familiar with a regular and systematic support of the Home here.

Sam, others in building ships, some to colleges and universities, and others in various fields.

Besides the large concourse of letter men who will be absent, there will be no Mr. Calhoun to assist in tutoring the aggregation. The coaching reins have been jointly held by R. G. Calhoun and R. E. Jackins, but Mr. Calhoun now is in the Army. It will be a mentor combination of Jackins and Barkley. The latter is Harry Barkley, who is principal of the grammer school and who assisted the coaches last year by doing yeoman service as a scout and also helping with the practices.

Those letter men on hand for the practices will be one tackle, Donnie Bolton, and a guard, Ernest Stricklin. That leaves a complete backfield of experience missing and even some of the No. 1 substitute backfield performers of 1941 are no longer here. Also, both end berths are wide open, the center, one guard, and one tackle post. It's a big task ahead to perfect a machine, and while the aggregation may not be strong at the start, it is expected to gain strength as the season progresses. This has been observed in more than one year when most of the veterans graduated.

There's a 10-game schedule facing the boys, being the same number of contests as in 1941. Newcomers to the card include Thomasville, Concord, Kannapolis and Troy. Missing this year are Mills Home, Spencer, Gastonia and Statesville. The season will open on September 18th and close on November 20th. Six tussles will be played on foreign gridirons, while Thomasville, Albemarle, Troy and Morganton are slated for engagements on Sloan Field at Barium.

Trainman: "Madam, this train goes to Milwaukee and points West."

Old Lady: "Young man, I want to go to Kalamazoo, and I don't care two buttons where it points."

Customer: "Where is the steak on your menu?"

Waiter (reading): "There sir; sirloin steak a la carte."

Customer: "All right, wheel it in."

Amiable victim (bowled over by auto): "I'm perfectly all right, thank you. I'm not a bit hurt."

Motorist: "I say, you're behaving so jolly well about it. It is a real pleasure to knock down a thorough sportsman like you."

Irate customer to photographer: I don't like your sorry pictures. They don't do me half justice!

Photographer: Lady, you don't need justice—what you need is mercy.

Dad: "Now wasn't that a nice ride on my knee, son?"

Son: "Yeah, but I'd a lots rather ride a real donkey."

Two friends were on a train which was held up. As the holdup men came through the train taking cash and valuables from the passengers, one of the men became more and more nervous. Finally, with the robbers only a few seats away, he put his hand in his pocket and drew out a bill and held it out to his friend.

"Here, Sam," he said, "here's that ten dollars I owe you."

Mike was going to Dublin for the first time, and his friend, Pat, was giving him a few hints on what to do and where to go in the big city.

"What do I do when I go to the zoo?" asked Mike.

"You be careful about the zoo," advised Pat. "You'll see fine animals if you follow the words, 'To the lions' or 'To the elephants,' but take no notice of the one, 'To the exit,' Mike. It's a fraud, and it's outside I found myself when I went to look at it."

Synod's Total Is Less In First

(Continued From Page One)

to put Synod back on the positive side. It seems as if this has been the policy of the Churches, Sunday Schools and Auxiliaries so far in 1942-1943. Income from the church for last August was but $2,750.86, and if the amount welcomed in August of 1942 is as much as $3,000.00, a slight gain for the five months will be a reality.

It is rather interesting that some of the Presbyteries in the Synod are showing a considerable increase in generosity during the present year, leaving the obvious knowledge that some of them are not doing so well. As for the rating, the Presbyteries of Winston-Salem, Albemarle, Fayetteville, and Granville occupy the same slots as the year before - first, fourth, eighth and ninth, respectively. There's a new arrangement for the other five, and that's revealed in the comparative ratings of the two years as follows:

Presbytery	July, 1941	July,1942
Winston-Salem	1st	1st
Concord	5th	2nd
Mecklenburg	2nd	3rd
Albemarle	4th	4th
Wilmington	7th	5th
Kings Mountain	3rd	6th
Orange	6th	7th
Fayetteville	8th	8th
Granville	9th	9th

On the happy side, Wilmington Presbytery has jumped a couple of places and Concord went up three notches from what it rated at the end of July, 1941. You can read the comparison to see which have declined.

In figuring out the per capita giving for July, the new Synod membership of 92,991 was used, which is the latest figure as announced in the 1942 Minutes of the General Assembly which recently met in Knoxville, Tenn. This is a Synod increase of 1,682 over the membership of the previous year. Every Presbytery showed an increase in membership, ranging from a high of 359 for Fayetteville Presbytery to a low of six for Winston-Salem. The other increases in membership were Mecklenburg, 269; Orange. 240; Albemarle, 231; Wilmington, 183; Concord, 156; Kings Mountain, 153, and Granville, 85.

On the basis of the new figures, the following is the per capita giving by each Presbytery for July and for the first four months of the year:

Presbytery	Am't Received July	Total Per Mem. for Mem Year
Winston-Salem	$248.10	4.6c 17 c
Concord	690.99	5.3c 15 c
Mecklenburg	737.90	3.9c 13.8c
Albemarle	202.39	3.9c 11.8c
Wilmington	483.47	5.6c 10.8c
Kings Mountain	237.55	3.7c 10.4c
Orange	346.70	2.3c 10.3c
Fayetteville	748.27	5.3c 8.5c
Granville	166.35	2.5c 5.5c
Synod	$3.861.72	4.2c 11.6c

During the first four months, Synod sent $10,753.18 to Barium Springs. The Sunday Schools forwarded $5,587.75 of that, or 52%; the Church budgets appropriated $3,251.93, or 30.2%, and the Auxiliaries sent $1,913.50, or 17.8%. The detail on this from the three main sources of receipts and according to the nine Presbyteries is as follows:

Presbytery	Ch.	S.S.	Aux.
Albemarle	$ 51.51	$ 300.83	$255.58
Concord	605.82	1,084.21	266.68
Fayetteville	205.52	888.63	101.65
Granville	5.00	198.42	165.00
Kings Mountain	76.62	446.67	141.35
Mecklenburg	1,053.97	1,272.20	265.22
Orange	211.86	804.64	505.08
Wilmington	538.62	330.03	59.94
Winston-Salem	503.01	262.12	153.00
Totals	$3.251.93	$5,587.75	$1,913.50

Increase In Clothing Funds Asked

Due to the advance in prices of clothing, we are having to ask our friends for a small increase in their gifts to this fund. Heretofore we have been asking $30.00 per year per child payable $15.00 in March and $15.00 in September. Now we are asking for $35.00 per year per child payable $17.50 in March and $17.50 in September. We regret that this step is necessary, but the $30.00 does not cover the cost of clothing for a child now.
